General Introduction

2024 9th International Conference on Machine Learning Technologies (ICMLT 2024) is going to take place at **Oslo, Norway** during **May 24–26, 2024**. ICMLT will offer an ideal platform for presentation, discussion, criticism, exchange of innovative ideas and current challenges in the field of machine learning technologies.

The purpose of the conference is to provide an opportunity for the scientists, engineers, industrialists, scholars and other professionals from all over the world to interact and exchange their new ideas and research outcomes in related fields and develop possible chances for future collaboration. The conference is also aimed at motivating the next generation of researchers to promote their interests in machine learning technologies.

Publication

All registered and presented papers will be published into Conference Proceeding by ACM (ISBN: 979-8-4007-1637-9), which will be submitted for **Ei Compendex, Scopus**, and other databases like last few years.

ICMLT 2018–2023 Conference Proceedings have been included into **ACM Digital Library**, and indexed by **Ei Compendex and Scopus** already.

Submission

Welcome to submit full Papers (Presentation and Publication) or Abstracts (Presentation only) via the **Electronic Submission System(Click)** or email: **icmlt_conf@163.com**
